

UNITED WAY OF THE FLINT HILLS

YOUR DOLLARS AT WORK

United Way of the Flint Hills is a local, non-profit organization meeting local needs. United Way identifies issues facing our community's residents and seeks solutions to those problems. Most often, we provide grants to local organizations that have proven track records in improving lives. Over the past several years, we have also adopted several of our own initiatives and programs to enhance the offerings of our local community partners. The most important thing to remember is that **your donation to United Way stays right here in your community.**

How much money is distributed by the United Way of the Flint Hills? This year, we have distributed nearly \$410,000 to organizations in the counties we serve.

How are the funds allocated? Non-profit organizations must submit a detailed application for funding each year, and the application is reviewed by a group of community volunteers. The volunteers hear from each of the organizations in order to get additional information about the organization and their need. There is no guarantee of funding and each new organization is scrutinized just as closely in year ten as it was in year one. If you are interested in serving on the committee that reviews the applications, please email Mickey Edwards at mickey@uwfh.org.
